President Adam Leggette called the meeting to order at 12:00

Purpose of meeting: Leadership Training

Attending: Adam Leggette, Ronald Sheffield, Mike Smith, Carrie Lacayo, Rick Ketchum, Jim Warren

Presidents Report- Adam updated us with the new roles of the members. Dennis Stokley will be helping with media, Rick Ketchum is our new treasurer, and Adam Leggette/Mark Waugh will head the membership committee.

We discussed every member's expectation is to contribute to HUPAC/NCPAC. All members will have a responsibility to help with the chapter this year and to help bring new members in to the Association. The State chapter is challenging each chapter to increase membership so that we can get it back up to 900 members.

NCAHU is holding a raffle for a \$4000 vacation and tickets are \$15. State dues are increasing \$15 next year.

The rest of the time we went over the duties of all the chairs. Each prior chair member discussed what duties they were required to perform so that the new chairs would have an idea.

Meeting adjourned 1:00
