

## Coastal Association of Health Underwriters

### Board Meeting

3/27/13

Attendees: Adam Leggette, Dennis Stokley, TJ Soffera, Rick Ketchum

President Adam Leggette calls the meeting to order at 11:00 am

Treasures Report – Bank account has \$8194.71 YTD. According to Rick his check book has \$6809.07 so he and Adam will get together to figure out the discrepancies.

NCPAC/ HUPAC – NCPAC has seems to be falling apart at the state level. No new contributors and members are stopping drafts and donations.

Awards – Submitted Silver Seal and waiting for response from Dagmar.

Legislative – Jim Warren not here but spoke with Adam saying that there were some positive things that came out of Cap Conference. Will explain when he gets back from vacation at next meeting.

Media Relations – Dennis has sent in an op-ed article to the Star News and a couple letters to the editor. Adam is going to send a letter to the editor after today's meeting.

Education – Nick is still putting together meetings. Jeff James is speaking in April and the hospital should be on board for May. Both should be big draws to the meetings.

Public Relations - The golf tournament is looking like it will be a big success. Live Oak Bank has come on board and is collecting donations, teams and sponsors. We need to start putting some teams together ourselves.

Communications – Finding the crab is a big success. It gets people to open and read the article. Adam pats himself on the back for coming up with the idea.

New Business – As far as the golf tournament goes we need to at least match what Phoenix does or we will lose them as a partner. We need to encourage members to get teams together.

Motion to End Adam. TJ Seconds

Meeting adjourned 11:23 am

Submitted – TJ Soffera
